SUNVUE covered pergolas are designed and built right here in New Zealand and offer year round protection from the elements. A **SUNVUE** pergola ensures a safe outdoor living space for your family to enjoy by blocking out 99% of the harmful UV rays.

A **SUNVUE** will allow you to enjoy your outdoor area all year round, no matter what Mother Nature decides to throw at you. It will block out the rain while letting in the light.

Our super strong aluminium structure can be powder coated almost any colour you like and will remain strong and durable for many years to come.

SUNVUE Outdoor Blinds

SUNVUE Outdoor Blinds by Ziptrak® instantly create a brand new space in your home, ready to entertain family and friends at a moment's notice.

Protected at any time of the year, with a sense of seclusion and sanctuary, you'll spend more time enjoying life outdoors.

The track guided system is simple and safe to operate - no chains, ropes or pullies. Using our patented spring-balanced track system, the blind easily glides up and down, stopping in any position.

SUNVUE blinds can be left at any position along the track. Simply let the blind go, and it will stay at your desired height. Take control of your environment in seconds with simple and easy hand operation.

SUNVUE outdoor blinds easily maximise your living options by connecting indoor and outdoor environments to make one harmonious room. They also provide seclusion and protection from the elements, while controlling airflow, light and temperature. As well as being robust and aesthetically pleasing, Ziptrak® has a patented track-guided system that ensures screens easily glide up or down and stop in the position you require.
